

WICS

Women in Tech Panel

Thursday, February 25 @ 7:00PM

Come join us in Nicholson Hall 119

WICS is a *student organization* for *women* studying *computer science* at LSU! You do not have to identify as a woman to participate in WICS events. *All are welcome!* Sign up on the *email list* for more information.

Mingle & Network with female industry professionals, ask questions, and eat free food!

WICS is having a **panel** of female software engineers, game developers, and other **women in tech**! The panelists will talk about their **experiences** in the field and **answer your questions** about getting internships, choosing a career, and anything else you want to learn about.

Like us on Facebook! For more information, contact us via email, and even visit the WICS Game Jam facebook page to check out our previous big event!
